CONNECTING WITH THOSE WHO HAVE BLESSED US

It is hard to believe all that has transpired in the past 9 months. We welcomed our son Kees into the world, planted a church in the Netherlands and have now settled back in the States for our furlough year. Whew! We have seen God's

faithfulness in our lives in so many ways and we have so much to be thankful for. During our furlough year we travel around the country and speak at supporting churches and share all that God has done in our lives and ministry the

past 3 years. In addition, we are needing to raise \$1000 in additional monthly support before we can return to the NL.

So many of you support us monthly and have made it possible for us to be a light for Christ in the NL. **We want to thank you for your continued giving and prayers!**

Would you like to be one who helps us to return to the NL by supporting us on a monthly basis? It would be an incredible blessing.

We hope to see you all this coming year as we criss-cross the US with a good report of God's faithfulness.

With love,
Steve, Julie and Kees

THE COMMUNITY CHURCH IN GRONINGEN IS THRIVING AND BLESSING THE CITY

The church we planted in Groningen, The Community (www.thecommunitychurch.nl), is doing great. We have been rejoicing at reports of how the church is doing and how God is using them. They continue to meet weekly in the café where the church was started and are also doing evangelism in Groningen twice a week. More and more Dutch leaders are being trained and getting involved. It is exciting to see God do "more than we could ask or imagine" through the ministry of The Community.
