Reaching the universities in the Netherlands

Summer 2009

Dreams Come True

It has been incredible to see all that **God has done** since our last newsletter! Even as I write this, I am shaking my head in amazement and smiling as I watch our four month old son Kees out of the corner of my eye. There may not be much greater joy than when your **first child** smiles at you for the first time. He is doing great and every day we are getting to know this little guy that the Lord has blessed us with.

It seems to be a season of **new beginnings** for us. We have also **planted a church** called **The Community**. When we first moved to Groningen, we began to realize the need for a church that would be geared to reach the 50,000 university students in this city. Little did we know, how quickly God would bless our efforts! We now have an average weekly attendance of 25 people. Last week a couple of students made a commitment to Christ

and we are seeing some amazing things happen in this growing group of believers!

We are now busy raising up Dutch leadership who will give the ministry long-term stability.

We are so thankful for your tremendous generosity and prayers that have made it possible to follow the vision that God has laid on our hearts.

We couldn't do it without you!
With love,
